

Save On Your Medical Expenses

Complete Annual Enrollment and your Health Assessment **Nov. 1 – Dec. 15, 2025**

Complete Annual Enrollment

Every year **all participants must complete annual enrollment** – even if not making any changes. It is quick and easy to complete and will help you avoid any gaps in coverage or delays in claims being processed.

Lower your deductible in the coming year

When you and your covered spouse or domestic partner both complete your annual Health Assessment between **Nov. 1 – Dec. 15, 2025**:

- **Medical Plans A, B, Z and Kaiser** – your 2026 annual deductible will be **\$200 less** for individual coverage and up to **\$600 less** for family coverage than if you do not take it.
- **Medical Plan JC28XL** – your 2026 out-of-pocket maximum will be **\$200 less** than if you do not take it.

To Complete Annual Enrollment and Your Health Assessment/Profile:

- Register or log in at **www.nwadmin.com**
- Select Enrollment and follow the steps to verify your information
- Choose a medical plan if you are eligible for a choice of plans
- **If PPO** – after Enrollment, select the link for WellRight – you'll be taken to the WellRight site and automatically logged in. Complete your Health Assessment and select "save" when done
- **If Kaiser** – after Enrollment, visit **www.kp.org/wa**, or call **(866) 458-5277** to complete your Health Profile

Please note: Take the Health Assessment or Kaiser Health Profile based on the Plan you were on in 2025.
