

# FIRST STUDENT TEAMSTERS

## **We Want *to Hear from* You!**

Bargaining surveys have been mailed out to all First Student members covered under the National Master Agreement.

As soon as you receive your access code in the mail, take the bargaining survey right away to let your negotiating committee know your top bargaining priorities!

To make the process easier and get more members involved, the survey is being done electronically. You may use a desktop or laptop computer, smartphone, or tablet to complete it. Please note that for privacy reasons, survey responses are kept completely confidential by a third party.

**Your union needs **YOUR** input to successfully bargain a new contract.**

***THE SURVEY is OPEN***

**Friday, December 19 –  
Wednesday, January 21**

***Don't delay! Complete your survey today!***

***If you didn't receive survey instructions in the mail or have questions, please contact your local union.***
